# Need, Problem, Opportunity

## NEED

1. Finding travel mates
2. Workshop organizing
3. Event organizing

## Problem

1. Organizing an event with participants from same institutions
2. Travel mate finding issue
3. Workshop organizing difficulty

## Opportunity

1. Creating jobs by organizing and maintaining event
2. Making revenue by organizing different events
3. Specialized events for any institution
4. Trustworthy system for finding travel mates (review system / rating)

# Features

## Registration

Anyone can **register** with his or her info. Then can experience the **System's free services**

## Event/Workshop

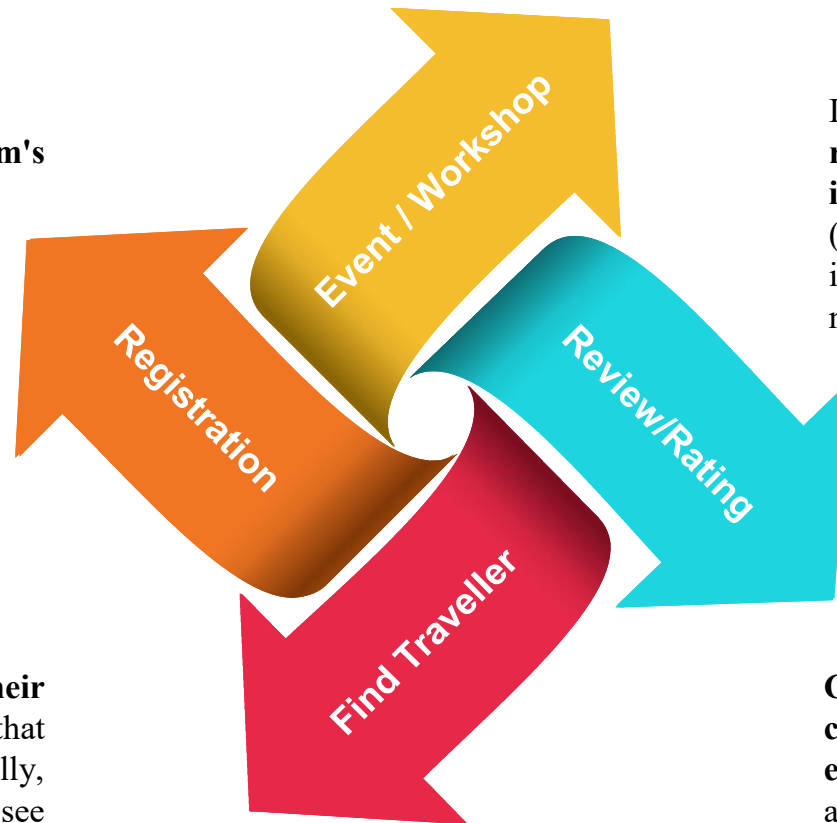

It can arrange an event with **specific requirements**, an event **focusing any institutional groups** and workshops (free and with requirements). To get the insight of the events/workshop one need to be a subscriber

## Find Traveller

If one can't be able to **find their travelling partner** they can solve that problem via this system. Additionally, by **premium account** they can also see the information about their travelling partner.

## Review/Rating

**Curated insights** and **impressions capturing** the essence of journeys, **enhancing the traveler's experience and ratings.**

THANK YOU
